

Motorsportreg.com Online Race Registration Information for Club Members

Benefits:

- Members:
 - Credit card payment – collect your reward points; race now, pay later
 - Shorter lineups on race mornings
 - Gives you an idea of who will be racing in your class before you show up
- Club:
 - Less work and volunteer commitment in registration on race morning
 - Easier to start the day's schedule earlier

Step 1 – Register and Set Up Account on MotorsportReg.com

- Go to www.edkra.ca/classes-rules/registration/ or www.motorsportreg.com
 - If on the motorsportreg.com website, you will need to search the calendar for “EDKRA”
- Follow the instructions online to register for and setup your account

Step 2 – Set Up Driver Profiles

- In your account, set up profiles for all drivers in your family
- Add / edit your vehicles and provide the following information for each kart:
 - Preferred Number (i.e. your EDKRA kart number)
 - Transponder Number (giving the correct number speeds up the registration process on race mornings – if you don't know your transponder number, enter “0000000” – 7 zeroes – as a default, and remember to come back and edit your vehicle later when you do know the transponder number)

Step 3 – Register and Pay for EDKRA Race Events

- Select the event you want to register for by clicking on the events name (in blue):
 - If on the motorsportreg.com website, you will need to search the calendar for “EDKRA”
- Follow the simple registration process
 - Select the classes entered for each racer
